Complaints procedure

Our goal is to give excellent service to all our customers but we recognise that things do go wrong occasionally. We take all complaints we receive seriously and aim to resolve all our customers' problems promptly. To ensure that we provide the kind of service you expect we welcome your feedback. We will record and analyse your comments to make sure we continually improve the service we offer.

What will happen if you complain?

- We will acknowledge your complaint within 2 working days of receipt
- We aim to resolve complaints within 5 working days
- Once an assessment and full investigation of your concern has been made, we will respond with a decision

Most of our customers' concerns can be resolved quickly but occasionally more detailed enquiries are needed. If this is likely, we will contact you with an update and give you an expected date of response. This will not be beyond 20 working days from when you first made your complaint

If you remain unhappy with the decision you receive from the local branch you may write to the Chief Executive. If you are dissatisfied with our final decision, you can refer the matter to the Financial Ombudsman Service (FOS)

The FOS will only consider your complaint if you have given us the opportunity to resolve it and you are a private policyholder, a business with a group annual turnover of less than £1 million, a charity with an annual income of less than £1 million or a trustee of a trust with a net asset value of less than £1 million. Please follow the steps below. If, however, we do not resolve your complaint within 40 working days, the FOS will accept a direct referral

Whilst we are bound by the decision of the FOS, you are not. Following the complaint procedure does not affect your right to take legal action

What should I do?

The steps you should take if dissatisfied

Step 1 Seek resolution by your insurance adviser or usual Aviva point of contact.

If you are disappointed with any aspect of the handling of your insurance we would encourage you, in the first instance, to contact the manager concerned. You can write or telephone, whichever suits you, and ask your contact to review the problem

Step 2 Refer your complaint to our Chief Executive

If you remain unhappy with the decision you receive, please write with full details including Policy number and/or claim number, to:

The Chief Executive

General Information

Arson prevention

Arson is the main cause of large fires. By taking a few positive steps you can frustrate the fire raiser and save property from loss or damage.

- (1) Keep intruders out – maintain windows and doors in good repair and use quality locks. Make sure that fences and gates are high and strong enough to deter intruders. Provide continuous security lighting, particularly for yards, and fit an intruder alarm. Keep entry points to a minimum and control visitors' movements
- (2) Deny the arsonist fuel – keep combustible materials away from buildings and fences.
- (3) Further information and advice is available from Aviva or your usual insurance adviser.
